	Reason for failure (if applicable)
Pass_____ Fail__X__	Program stopped and was taken to an error page

Test	Intended Result
Uploading a PDF file instead of an excel sheet	File will be ignored
	Reason for failure (if applicable)
Pass__X__ Fail_____	

Test	Intended Result
Upload an excel file with data along with the PDF file	The data from the filled excel file should appear while ignoring the PDF file
	Reason for failure (if applicable)
Pass__X__ Fail_____	

Test	Intended Result
Uploading a txt file instead of an excel sheet	File will be ignored
	Reason for failure (if applicable)
Pass__X__ Fail_____	

Test	Intended Result
Upload an excel file with data along with the txt file	The data from the filled excel file should appear while ignoring the txt file
	Reason for failure (if applicable)
Pass__X__ Fail_____	

Test	Intended Result
Uploading an image instead of an excel sheet	File will be ignored
	Reason for failure (if applicable)
Pass__X__ Fail_____	

Test	Intended Result
Upload an excel file with data along with the image	The data from the filled excel file should appear while ignoring the image
	Reason for failure (if applicable)
Pass__X__ Fail_____	

Test	Intended Result
Selecting a line graph using the provided dummy data	The line graph should pop up in a separate window
	Reason for failure (if applicable)
Pass__X__ Fail_____	

Test	Intended Result
Selecting a bar graph using the provided dummy data	The bar graph should pop up in a separate window
	Reason for failure (if applicable)
Pass__X__ Fail_____	

Test	Intended Result
Selecting a stacked bar graph using the provided dummy data	The stacked bar graph should pop up in a separate window
	Reason for failure (if applicable)
Pass__X__ Fail_____	

Test	Intended Result
Selecting a pie chart using the provided dummy data	The pie chart should pop up in a separate window
	Reason for failure (if applicable)
Pass__X__ Fail_____
